

Online Admission to BA/B.Sc/B.Com Degree Courses (Both Pass & Hons)

Introduction: This web based online software introduces new dimension in College admission these days. This will reduce lot of hectic work for the Students & their Guardians (Long wait in the Queue) as well as the Teachers/Professors/College Authority to involve in Short listing/Screening/Sorting etc.

Present Admission Scenario:

- Print and Distribute Forms

Web Based Software for Online Admission in BA/B.Sc/B.Com

- Students have to wait in queue.
- Lot of queries to answer.
- Collect Forms
- Manually Sort listing / Screening etc

Challenges to optimize the admission process:

- Minimize time involvement.
- No more queue – You can do it in front a Computer.
- Freedom to fill up forms at your convenient time.
- Minimize data redundancy.
- Minimize paper work.
- Maximize Accuracy, Transparency, Reliability & Productivity.
